## **A Monumental Louis XV Style Forty-Eight Light Chandelier**

Circa: Circa 1885

252 x 160 cm (99'11" x 63 inches)

Cut-Glass

France

Circa 1885

A Monumental Louis XV Style Gilt-Bronze and Cut-Glass Forty-Eight Light Chandelier.

This rare and exceptional chandelier has a central cut-glass baluster stem, surrounded by an undulating cage frame from which two tiers of acanthus cast scrolling arms extend. The chandelier is hung overall with extremely large shaped prisms and flower head drops, and terminates in a fabulous pear shaped glass finial.
