## **A Rare Venetian Polychrome and Ebonised Figural Gueridon**

Circa: Circa 1870

92 x 89 cm (36<sup>1</sup>/<sub>4</sub> x 35 inches)

Polychrome and Ebonised

Italy

1870

A Rare and Important Venetian Polychrome and Ebonised Figural Gueridon.

This rare gueridon has a circular scagliola top in the form of an inverted shield supported by a finely carved crouching figure with feathered headress. The figure kneels on a naturalistically carved star emblazoned cloth with tasselled ends, on a hexagonal base.
