Gilt-Bronze Cut-Crystal

France

Circa 1870

A Large and Impressive Napoléon III Gilt-Bronze and Cut-Glass Thirty-Six Light Chandelier.

This fine chandelier has a gilt bronze frame issuing scrolling foliate candle arms terminating in circular glass drip-trays and foliate cast sconces.

The chandelier is hung all over with chains of cut-glass octagonal flatback drops, faceted French pear shaped drops, prism cut rules and tapered alberts.
