An Important Pair of Empire Style Carved Giltwood Tub Chairs

Circa: Circa 1850

120 x 90 x 64 cm (47¹/₄ x 35³/₄ inches)

Giltwood

France

1850

An Important Pair of Empire Style Carved Giltwood Tub Chairs with Green Velvet Upholstery. The Lion Monopodia side supports feature finely carved detail and a realistic pose.

These extremely large chairs are unusual because of both their size and outstanding quality. They would have certainly been commissioned for a very important person and the likelihood is that they were used as throne chairs.
