## **A Pair of Giltwood Domed Top Display Cabinets**

Circa: Circa 1900

202 x 146 x 76 cm (79<sup>1</sup>/<sub>4</sub> x 57<sup>1</sup>/<sub>4</sub> inches)

Giltwood  
England  
1900

Each cabinet has a domed top comprising of four glazed sections divided by mouldings. The glazed sides have moulded frames and curved corners carved with harebells and scrolls, and fitted with a hinged full length door to each end.

The stands are carved with a Greek Key frieze on four square tapering legs with flowerhead carved paterae mounts and carved recessed leg panels, all united by curved and moulded cross stretchers.
