Circa: French,. Circa 1910

A Pair of Transitional Style Gilt-Bronze Mounted Petite Commodes or Bedside Cabinets, With Marble Tops.

Finely veneered in burr walnut, each commode has a shaped veined marble top above a frieze containing a drawer, above a cupboard door fronted by two sham drawer fronts, opening to enamel lined interiors. The angles mounted fine lappet cast laurel leaf mounts and raised on tapering legs with scrolled leaf cast sabots.

French, Circa 1910.
